1	<h2>Wildlife Rehabilitators</h2> <p>A list of licensed wildlife rehabilitators can be found here. These organizations are a potential source of native wildlife for zoological facilities and can also be used as a referral for members of the public calling in reference to injured/orphaned native wildlife. No endorsement of these facilities is implied or given by the Avian Scientific Advisory Group (ASAG) and ASAG shall be held harmless for any contact between facilities and these wildlife rehabilitators.</p>
